\*NSAA summer maintenance involves preparing trail surface, mowing grass and more to be ready for low snow cover in winter. The best trail surface is a flat and smooth one.

\*\*NSAA and volunteers mow and/or cut brush in fall.

**Nordic Skiing Association of Anchorage** is a Non-profit 501(c)3 Organization that sustains trails year round and provides programs and events that encourage healthy lifestyles for all Alaskans.

NSAA is not supported by taxes, it is supported by trail users.
