

Things to Know Before You Show for Gear Pickup

Congrats! You've registered for Junior Nordic, now what?

Please plan ahead!

- ★ What practice location/day/time did you register for and did you rent skis with NSAA?
 - You can check your registration confirmation email **OR**
 - In your account; on your dashboard, you can see what you've registered for under 'Registered Events'

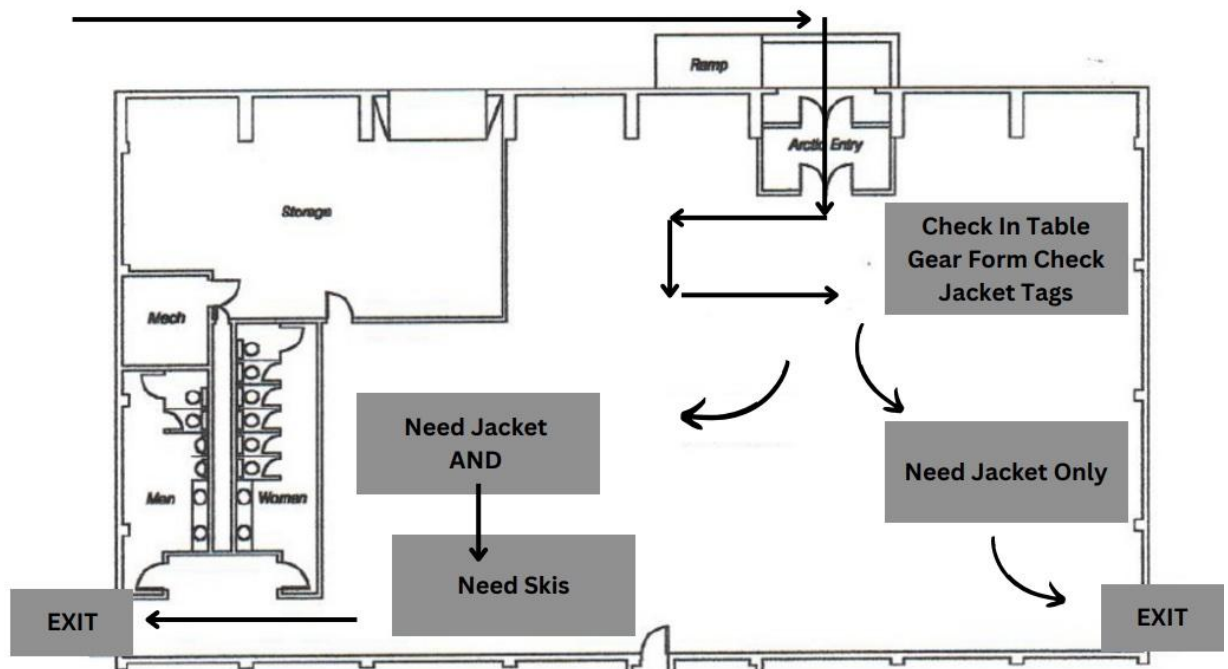

- ★ We will have jackets, skis and hats for new skiers to pick up. We will **NOT** be renting additional skis on Sunday. We do not have the inventory at this time.

- ★ Make sure the person who is picking up your gear for you (family or friend) has a copy of your confirmation email from Docu-Sign for your gear deposit form, **OTHERWISE**, they will have to use their credit card to fill out the form on Sunday. **We will not be accepting checks.**

★ If you have not completed your Docu-Sign gear deposit form, [please do so now](#). Credit cards will not be charged unless the gear is damaged or not returned to us by the end of April 2023. We will be checking at the door that you have a copy of your confirmation email from Docu-Sign.

★ Please dress warmly in case the line is long. In an effort to get everyone through the line as quickly as possible, please try to only bring the skiers that are registered in the program. Please click the button below for driving directions to the wax bunker and see the map below.
