To Whom it May Concern,

Ski 4 Kids Day is a festive winter day full of events for children aged 0-14. Fundraising and awareness efforts combine obstacle courses, a mock-biathlon, fat-tire biking, and other activities as well as a series of timed and untimed ski courses to tempt and tantalize kids into loving Alaska's outdoor winter activities. The ultimate goal is to help develop an appreciation of winter outdoor sports and to promote fitness for Anchorage area youth!

The secondary objective of Ski 4 Kids is to purchase equipment for the Municipality of Anchorage Outreach Program and award grants to schools and programs to purchase ski equipment. Your donation and sponsorship of the annual Ski 4 Kids event will have long term benefits to Anchorage's youth.

Your donation provides ski equipment for the Outreach Ski Program, funds the NSAA Equipment grants, and helps provide day of event school bus transportation for Outreach school participants and their families.

Thank you for considering being a part of this worthwhile event.

Sincerely,

Kikkan Randall
NSAA Executive Director
