## Ski fun for a cause!

Since 1997, the Alaska Ski for Women has been raising funds for organizations working to stop domestic violence in Alaska.

### Saturday, February 4th | Friends & Family Ski

The 4 km course will be decorated for those who prefer to avoid the crowds. Saturday's event is open to everyone. Yes, men too!

### Sunday, February 5th | The Big Event!

Timed events include both a classic and freestyle (skate) race. Timed events open to women and girls. The iconic party wave ski (open to women and youth) and costume contest follow!
