

Thank you for your interest in the Alaska Ski for Women (ASFW) Grant Program for qualifying nonprofit organizations.

What is Alaska Ski for Women (ASFW)? ASFW is a program of the Nordic Skiing Association of Anchorage AND North America's largest women-only cross-country ski event. Each February women of all ages and abilities come out to ski approximately 2.4 miles (4K), many in colorful costumes, while raising funds for local non-profit organizations that help stop the cycle of domestic abuse against women and children.

What is the Alaska Ski for Women Grant Program? Through the generous donations of ASFW participants, and the hard work of our all-volunteer committee, the race is able to make an impact in the community by contributing to groups that actively work to improve women's lives. A special focus is ending the cycle of violence against women and their families, supporting their recovery after crisis, and helping women in crisis find positive solutions to a healthier life.
