Junior Nordic Scholarship Application

As a scholarship recipient, Junior Nordic asks that you become an NSAA member.

Skier Name: _____ Age: _____ Birthday: _____

Parent Name: _____ Phone: _____

Address, City, State, Zip: _____

Email Address: _____

Please write a short note about the child and the need for fee assistance. (We do not have specific financial criteria but look at whether the child would benefit from skiing, and whether they cannot participate without assistance.) Please also indicate how often the child can attend, we have limited capacity and want to make sure everyone benefits from the program.

Are you requesting a full or partial waiver of fees?

(\$150 for the Saturday practice sessions, \$300 for the weekday practice sessions)

Will you need to borrow Jr. Nordic skis? (Note: we can loan skis to kids who need a fee waiver, but you will need to find ski boots and poles. Sometimes we have some poles and boots for loan, but not a full range of sizes. The ski boots need to fit NNN bindings.)

Which groups would you like to ski with? (Check all that apply)
