Frequently asked questions:

1. Is there pre-registration for returning families this year?

- Through feedback from the 22-23 parent survey and parent committee discussions over the summer, pre-registration for returning families was determined not to be beneficial to the majority of families. We also considered a lottery system similar to Mighty Bikes but deemed it not an appropriate fit for our program at this time. Junior Nordic is the largest youth Nordic skiing program in North America and is additionally complex with three venues, multiple time slots, and four skill groups. We hope this new registration process streamlines your choices, waivers, purchases, and adding multiple children.

2. How will I know if registration is full?

- You will see **"SOLD OUT"** in red text under the ticket selection and you will be unable to add it as an item.

REGISTRATIONS			
Challenge Series - 8K/Full Marathon SOLD OUT	\$190.00 USD	- 0 +	
Challenge Series - 8K/Half Marathon SOLD OUT	\$180.00 USD	- 0 +	

3. How can I add my children to the waitlist?

- As registration will fill up fast, the waitlist will be available immediately. If you see that things are sold out, please add the number of children you hope to enroll to the waitlist. You'll be able

to pick your preferred days and times. **Each location will have it's own waitlist.**
